From Brand: CRC Press : Occupational Voice Loss before purchasing it in order to gauge whether or not it would be worth my time, and all praised Occupational Voice Loss:

The first guide to cover aspects of voice loss from an occupational health perspective, this reference covers procedures

to detect, assess, and prevent voice loss in schools, industrial facilities, and other workplace environments, as well as covers occupational groups at risk and risk factors for developing voice loss-analyzing various chemical, environmental, psychological, and medical causes of this potentially work-related condition.
