Springhouse : Pathophysiology Made Incredibly Easy! before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pathophysiology Made Incredibly Easy!:

0 of 0 people found the following review helpful. Great book By emi Great book. Very helpful even for an older edition. I totally recommend this for any medical or science students. 0 of 0 people found the following review helpful. Great! By Customer My school mate used this to pass patho, so happy to have my hands on a copy! 0 of 0 people found the following review helpful. Some parts of the book were helpful, other parts ... By MDowds Some parts of the book were helpful, other parts too elementary for what I needed to know for nursing program.

Pathophysiology Made Incredibly Easy! in Second Edition continues the tradition of an entertaining, practical, and informative reference. Thirteen chapters organized by body system provide easy-to-follow pathophysiology for scores of disorders. Diagnostic test findings and current treatment complete each disorder entry. Specific chapters address cancer, infection, immune disorders, and genetics. Each chapter includes a summary of key points and features light-

hearted headings and illustrations to enhance learning. Key terms, bullets, checklists, graphics, and cartoon characters call special attention to important information. New features include 10 additional disorders, a complete update of all existing disorders including HIV/AIDS and cancer. A comprehensive case-study test evaluates the reader's understanding.
