Huether : Pathophysiology The Biologic Basis for Disease in Adults and Children: 4th Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pathophysiology The Biologic Basis for Disease in Adults and Children: 4th Edition:

0 of 0 people found the following review helpful. greatBy Aabas FamilyJust as described, my son was very happy with this product when he opened the package. Well worth the money.1 of 1 people found the following review helpful. Great Pathophysiology BookBy RnnrGrII love this book! I am using it in a PA program and it contains everything I need, down to the cellular level. It is easy to understand and comprehensive. I give it two thumbs up!1 of 7 people found the following review helpful. Pathophysiology: The Biologic Basis for Disease in Adults ChildrenBy Satchsexcellent condition - fast shipment

Great book to learn the cellular background of particular medical diseases and conditions.
