Barbara Young BSc Med Sci (Hons) PhD MB BChir MRCP FRCPA : Picture Tests in Histology, 1e before purchasing it in order to gage whether or not it would be worth my time, and all praised Picture Tests in Histology, 1e:

0 of 0 people found the following review helpful. Very helpfulBy CocoA great way to study histology!! The pictures are excellent. The questions are very helpful.

This book is a collection of approximately 220 colour photomicrographs and electron micrographs, similar to (but not the same as) those in *Functional Histology*, with questions. Full explanatory answers are given at the back of the book.
