**From Brand: ASM Press : Pneumococcal Vaccines: The Impact of Conjugate Vaccine** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pneumococcal Vaccines: The Impact of Conjugate Vaccine:

Presents the latest findings on the effects of pneumococcal conjugate vaccine. Describes the development of the vaccines, their remarkable impact on respiratory and other pneumococcal infections, and the vaccines wider impact on public health. Includes chapters on epidemiology, immunologic mechanisms, conjugation methods, antibiotic resistance, PCV immunogenicity in healthy and high-risk individuals, otitis media, and direct and indirect protective effects. Summarizes the current knowledge on pneumococcal vaccines with particular emphasis on the years after the

introduction of the conjugate vaccine for professionals in academia, public health, government, or industry.
