Lippincott Williams Wilkins : Porth 4e Text Study Guide Package before purchasing it in order to gage whether or not it would be worth my time, and all praised Porth 4e Text Study Guide Package:

1 of 1 people found the following review helpful. Very easy to read and understandBy Arizona GregoryI'm giving it 5 stars because it's helpful and I'll honestly probably use it for the NCLEX; however, it just stinks because I got this for my Pathophysiology class; however, we have yet to actually use it. It is chock full of information. Very easy to read and understand. Has nice pictures and whatnot. Overall, nice book and got here quickly!0 of 0 people found the following review helpful. Five StarsBy Melissa BHelped with studying for tests0 of 0 people found the following review helpful. Five StarsBy stokes_88Perfect
