From Brand: S Karger Pub : Progress in Medical Virology (Progress in Medical Virology, Vol. 39) before purchasing it in order to gage whether or not it would be worth my time, and all praised Progress in Medical Virology (Progress in Medical Virology, Vol. 39):

Exploring contemporary virology research, this volume illustrates the ways in which various human and animal viruses can be investigated and combated. Among the topics discussed are herpes zoster, the proteins of poliovirus and the association of hepatitis B virus with liver cancer.
