From Brand: Springer : Protein folding and misfolding: neurodegenerative diseases (Focus on Structural Biology) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Protein folding and misfolding: neurodegenerative diseases (Focus on Structural Biology):

Offering all the latest in the study of neurodegenerative diseases, this book reviews the molecular events initiated by unfolded or misfolded proteins leading to conformational human diseases, especially those found in Parkinsons and Alzheimers diseases.
