J.N. Pasley : Review Questions for Human Physiology (Review Questions Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Review Questions for Human Physiology (Review Questions Series):

5 of 6 people found the following review helpful. Another RQ winner! By William V. Dewhirst This is another excellent review book in the RQ series from Parthenon Publishing. On a par with NMS or others more notable. 700 questions for a small investment. Great value!

This is a comprehensive, large-format review text of 700 questions on human physiology with detailed answers for Part 1 of the National Medical Boards Examination. With 100 questions and answers in each section, the book covers general and cell physiology, cardiovascular physiology, respiratory physiology, renal physiology, gastrointestinal physiology, endocrine physiology, and neurophysiology. The author is full professor of physiology with extensive

teaching experience and close familiarity with board-type examination questions.
