Walter Sandritter, C. Thomas : Sandritter Macropathology: Text Color Atlas before purchasing it in order to gage whether or not it would be worth my time, and all praised Sandritter Macropathology: Text Color Atlas:

A complete review of gross anatomy, this edition includes new material on blood vessels, lung problems and kidney disease. Serves as a companion to Sandritter's "Histopathology"(8th ed) which presents pathology on a microscopic level and also employs colour illustrations.
