Stedmans : Stedman's Cardiovascular Pulmonary Words: Includes Respiratory before purchasing it in order to gage whether or not it would be worth my time, and all praised Stedman's Cardiovascular Pulmonary Words: Includes Respiratory:

7 of 7 people found the following review helpful. Must Have Cardiovascular Book!By Connie CarricoThis has been one of the most helpful books I have purchased. I like to size compared to others I have used. It is concise, and easy to use. Great resource book.

This new edition offers comprehensive coverage of the terminology used in cardiology and pulmonary medicine, including new terms in interventional cardiology, echocardiography, and polysomnography. *Stedman's Cardiology Pulmonary Words, Third Edition*, also features value-added appendix sections and anatomical illustrations for quick and ready reference. The main A-Z section lists terms in a main entry/subentry, cross-indexed format for easy access
