**Kevin T. Patton PhD, Gary A. Thibodeau PhD : Structure Function of the Body - Softcover, 15e** before purchasing it in order to gage whether or not it would be worth my time, and all praised Structure Function of the Body - Softcover, 15e:

Mastering the essentials of anatomy, physiology, and even medical terminology has never been easier! Using simple, conversational language and vivid animations and illustrations, Structure Function of the Body, 15th Edition walks readers through the normal structure and function of the human body and what the body does to maintain homeostasis. Conversational and clear writing style makes content easy to read and understand. Full-color design contains more than 400 drawings and photos. Clear View of the Human Body is a unique, full-color, semi-transparent insert depicting the human body (male and female) in layers. Animation Direct callouts direct readers to Evolve for an animation about a specific topic. Updated study tips sections at the beginning of each chapter help break down

difficult topics and guide readers on how to best use book features to their advantage. Special boxes such as Health and Well-Being boxes, Clinical Application boxes, Research and Trends boxes, and more help readers apply what they have learned to their future careers in health care and science. NEW! Language of Science and Medicine section in each chapter includes key terms, word parts, and pronunciations to place a greater focus on medical terminology. NEW! Thoroughly revised chapters, illustrations, and review questions reflect the most current information available. NEW! High quality animations for the AnimationDirect feature clarify physiological processes and provide a realistic foundation of underlying structures and functions. NEW! Simplified chapter titles provide clarity in the table of contents. NEW! Division of cells and tissues into two separate chapters improves reader comprehension and reduces text anxiety.
