The first 1 1/2 chapters were filled in, but the rest perfect. Pages have yellowed, but based on a quick look at the workbook, I am confident this is going to be a major help!1 of 1 people found the following review helpful. Perfect companion to the main text.By Curmudgeon at LargeVery well written and does an excellent job of impressing the important points on a learner's mind and memory. A perfect companion to the main text. Bound and three-hole punched and ready for a binder. Arrived quickly and in perfect condition.1 of 1 people
