Robert W. Bauman Ph.D., Mindy Miller-Kittrell, Elizabeth Machunis-Masuoka : Study Guide for Microbiology with Diseases by Body System before purchasing it in order to gage whether or not it would be worth my time, and all praised Study Guide for Microbiology with Diseases by Body System:

0 of 0 people found the following review helpful. YayBy BrownTaurus1988I think its very helpful0 of 0 people found the following review helpful. Not as detailedBy KimThis workbook is not as detailed as past courses workbooks. The reality is that completing the questions in the back of the hardback is more thorough.1 of 3 people found the following review helpful. great conditionBy SamaThe product was clean and brand spanking new! The study guide arrived in great condition and I know its the right item for the class.

This valuable study tool features detailed chapter summaries, a summary of each chapter's key themes, self-quizzes

containing a range of question types, and critical thinking and concept building questions.
