From Brand: Lippincott Williams Wilkins : Terminologia Histologica: International Terms for Human Cytology and Histology, Book/CD-ROM Bundle before purchasing it in order to gage whether or not it would be worth my time, and all praised Terminologia Histologica: International Terms for Human Cytology and Histology, Book/CD-ROM Bundle:

Terminologia Histologica provides the most authoritative, current histological terminology for histology professionals and students, medical writers and editors, medical researchers, medical libraries, and related companies and professionals. This reference is written by the Federative International Committee on Anatomical Terminology (FICAT), the leading authority for anatomical terminology and the primary reference for such premiere information sources as the National Library of Medicine and Medical Subject Headings (MeSH). The CD-ROM contains all the features of the print reference and enables users to perform quick searches, copy and paste, and add notes and new topics.
