Donna Jackson Nakazawa (Author) Dr. Douglas Kerr (Foreword) : The Autoimmune Epidemic [Paperback]

before purchasing it in order to gage whether or not it would be worth my time, and all praised The Autoimmune Epidemic [Paperback]:

1 of 1 people found the following review helpful. An amazing, thought out book about the silent epidemic about ...By marybeth fitzsimmonsAn amazing, thought out book about the silent epidemic about to explode. The research has been around for awhile but doctors are not biting the bullet, not able to put the pieces together for each of their clients. Too bad the drug companies cannot make a dime off these systemic diseases. WE need more authors to come forward and educate the average citizen, before its too late.Mbfitzs
