Agnes Mary. Claypole : The Embryology and Ogenesis of Anurida Maritima (Gur) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Embryology and Ogenesis of Anurida Maritima (Gur):

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.
