Arlen D. Meyers, Courtney Price : The Life Science Innovation Roadmap: Bioscience Innovation Assessment, Planning, Strategy, Execution, and Implementation before purchasing it in order to gage whether or not it would be worth my time, and all praised The Life Science Innovation Roadmap: Bioscience Innovation Assessment,

Planning, Strategy, Execution, and Implementation:

This book is intended for scientists, engineers, physicians, business people, and service providers at all levels who are interested in and support the process of life science commercialization. The authors provide a hands-on template for success based on their years of experience practicing and teaching bioentrepreneurship and consulting to clients, students, economic development agencies, and faculty around the world.
