Very usefulBy lpcrsotpI provide treatment to adolescent males on probation for sex offenses. Most of the adolescents I have had in treatment have both limited and inaccurate information as to both male and female reproductive anatomy. I find this poster to be helpful in providing accurate information on this subject.

Provides anterior and posterior view of the system. Shows the pelvic organ (oblique section) and cross-section of the

penis. Illustrates the prostate, perineum, spermatogenesis, testis, and vasculature innervation.
