Great design, but arrived damaged.By Imad S.The poster looks great, even has 3 metal eyelets on the top to hang it on the wall, but there's a tear near where the bar code is in the back. The last one I had, had a tear in the exact same spot. I don't know why that is. I had returned the first one and replaced it for free with this one, but same tear, same spot. When I tried to get this one replaced, the only option they had was to return it so I put some gorilla tape on the tear and kept it. Other than that, the poster looks nice in my massage room. If it wan't for the tear, I would've given it 5 stars.0 of 0 people found the following review helpful. great graphics, poor manufacturingBy CustomerThe graphics on the poster are awesome. The one star rating is because the poster arrived damaged - twice! The damage looks like it due to how the poster is manufactured rather than how it is packaged for shipping. The original poster and the replacement poster both arrived in a well sealed, sturdy box. However, in both cases, there were numerous small cuts along the lower left border of the poster. I ordered it specifically to hang in my new massage therapy office. I am incredibly disappointed! I returned both posters. Will look for another poster/vendor for my office.0 of 0 people found the following review helpful. They LOVE it and classmates come over to study tooBy Blake NicolaiThis is hanging in my daughter's family room in her apartment and

she and her roommates use it to study for anatomy as part of the doctorate in physical therapy. They LOVE it and classmates come over to study too...Studying using sticky notes and maybe a little alcohol!! Very well made. Laminated poster paper with nice metal holes to hang by...came quickly. I ordered this with the skeleton and trigger point posters.

This classic chart of The Muscular System was illustrated by Peter Bachin in 1947 and continues to be one of the most easily recognized images in medical illustration. Every illustration is vividly colored and finely detailed. All structures are clearly labeled. The large central illustrations show both anterior and posterior views of the male muscular system. Four smaller illustrations show: the muscles of the right hand, the right half of the diaphragm, muscles of the posterior abdominal wall, muscles of the right foot. Laminated and paper versions are available in English and Spanish. Made in USA Available in the following versions: 20" x 26" heavy weight paper laminated with grommets at top corners ISBN 9781587790355 20" x 26" heavy weight paper ISBN 9781587790362 19-3/4" x 26" styrene plastic - latex free with grommets at top corners ISBN 9781587796838 18" x 25" 3-D PVC plastic ISBN 9781587790386 giant size 42" x 62" tear resistant lightweight plastic with grommets at top ISBN 9781587799815 20" x 26" heavy weight paper laminated with grommets Spanish ISBN 9781587799969 20" x 26 heavy weight paper Spanish ISBN 9781587799952
