David A. Kaplan : The Silicon Boys: And Their Valley of Dreams before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Silicon Boys: And Their Valley of Dreams:

In "the best book to date on the subject" (San Francisco Chronicle), prize-winning journalist David A. Kaplan brings to life the culture and history of Silicon Valley. The symbol of high-tech genius and ineffable wealth, a place that

competes with Hollywood and Washington in the zeitgeist of success and excess, the Valley is the epicenter of the New Economy. Depending on yesterday's stock market close, roughly a quartermillion Siliconillionaires live in the Valley. And they're building megalomansions and buying Lamborghinis as fast as they can. Combining reportorial insight and biting wit, *The Silicon Boys* tells the unforgettable story of dreams and greed, ambition and luck, that has become the Valley of the Dollars.
