**Anne C. Cunningham : Thrive in Immunology (Thrive in Bioscience Revision Guides)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Thrive in Immunology (Thrive in Bioscience Revision Guides):

The Thrive Series is an exciting group of of bioscience review guides designed to help students succeed on exams. Thrive in Human Immunology covers all of the subject's key concepts in a succinct, easy-to-digest way that helps

students fully understand the topic. The text uses the four-step process found in all of the Thrive Series books, asking students to review the facts, check their understanding, take note of extra advice, and go the extra mile with suggested readings. **KEY FEATURES\*** Written by highly experienced educators\* Succinct writing style and clear, bulleted presentation\* Carefully developed artwork that reinforces key points\* Extensive in-text pedagogy--including review questions--that supports active learning\* Companion Website resources, including interactive flashcards and multiple-choice review questions
