Dana C. McWay : Today's Health Information Management: An Integrated Approach before purchasing it in order to gage whether or not it would be worth my time, and all praised Today's Health Information Management: An Integrated Approach:

0 of 0 people found the following review helpful. Four StarsBy chanpanice hard cover, minor wear and tear but that's to be expected since it is a rental.0 of 0 people found the following review helpful. Three StarsBy CustomerGood book for school.0 of 0 people found the following review helpful. Very good text.By OceanGuyVery good textbook and easy to read through.The only thing that was a problem was the small font type used for the chapters. Sure hope the publisher revises the next edition with a bigger font. Other than that very good information and the power points were excellent. Hope other students also do well with this.

As technology, legislation, and industry practices continue to evolve rapidly, the health information management profession has become increasingly dynamic, complex, and essential. TODAY'S HEALTH INFORMATION

MANAGEMENT, Second Edition, helps you prepare for success in this high-demand field by mastering both the fundamental principles and cutting-edge practices that define modern HIM. The Second Edition includes revised and updated content reflecting the latest trends, technology, and industry best practices, including new material on HIPAA, e-HIM, information systems, data quality, informatics, and current CAHIIM standards and RHIT/RHIA certification exam requirements. This trusted text includes everything you need to succeed in one of today's fastest-growing and most rewarding professions.

"I would definitely adopt this text in its upcoming edition. It is the only way I can measure quality learning outcomes." "I think it provides a thorough overview of HIM for a four-year or two-year program." About the Author Dana C. McWay is a lawyer and veteran health information management professional. A member the American Health Information Management Association (AHIMA) Board of Directors, she served on several AHIMA committees, most recently the Professional Ethics Committee. She was also a member of the Missouri Health Information Management Association's Legislative Committee, and a voting member of the Institutional Board at Washington University Medical School. Previously a Director of Medical Records for a large teaching hospital and for-profit substance abuse facility, Ms. McWay led the charge to convert an outmoded, paper-based record management system to a modern electronic system. In addition to LEGAL AND ETHICAL ASPECTS OF HEALTH INFORMATION MANAGEMENT for which she received a Triumph Award from AHIMA, she has led several audio conferences, served as co-editor of online continuing education offerings, and written a second HIM text, TODAY'S HEALTH INFORMATION MANAGEMENT: AN INTEGRATED APPROACH. Licensed to practice law in Illinois and Missouri, Ms. McWay is currently the Clerk of Court for the US Bankruptcy Court for the Eastern District of Missouri and one of three recipients of the Director's Award for Outstanding Leadership within the Federal Judiciary.
