**Dean Robert L Kane MD : Understanding Health Care Outcomes Research** before purchasing it in order to gage whether or not it would be worth my time, and all praised Understanding Health Care Outcomes Research:

0 of 0 people found the following review helpful. Four StarsBy CustomerExcellent overview and easy readability0 of 1 people found the following review helpful. Good GuidanceBy T. TorresThis text was for a grad PhD course. It was a good guidance text.

Eleven American academics, physicians, and health services researchers contribute ten chapters examining the important issues that surround outcomes research, in a text for health services researchers and clinicians who utilize patient-centered outcomes information in the context of care. The concept for this volume grew out of a graduate seminar o
