Anatomical Chart Company : Understanding Pain Anatomical Chart before purchasing it in order to gauge whether or not it would be worth my time, and all praised Understanding Pain Anatomical Chart:

0 of 0 people found the following review helpful. Take care of your shipping practicesBy Peter HicksThe information that is on the poster is fine, just that it was delivered, in a tube, but was torn upon receipt. Just trying to find a frame that will hold it and not look to tacky.0 of 0 people found the following review helpful. Five StarsBy CustomerExcellent, I highly recommend to others3 of 3 people found the following review helpful. A very Clear and Concise PosterBy DollyI have set this poster up in my home studio, since I am a yoga therapy specialist it is integral to my work. Thank you for a prompt service and swift delivery.

Understanding Pain is a visual and textual overview of pain and provides an easy-to-understand tool for patient

interaction with health professionals. The chart defines pain and the types of pain, lists symptoms for each, and simplifies "How Pain Works" into three comprehensible steps. A pain scale and a sample human figure are provided so patients can give their health professionals information about the level and location of pain. The chart also gives prevention tips and pointers on consulting a health professional for a tailored treatment plan. Available in Spanish and English. Made in USA Available in the following versions:
