Contemporary Nutrition is a complete and balanced resource for nutrition information written at a level non-science majors can understand. Current research is at the core of the tenth edition, with revised statistics, incorporation of new results of clinical trials, and updated recommendations. The text provides students who lack a strong science background the ideal balance of reliable nutrition information and practical consumer-oriented knowledge. Always looking to make the content relevant to learners, the authors highlight health conditions, medications, food products, and supplements students or members of their families may be using. With their friendly writing style, the authors act

as the students personal guide to dispelling common misconceptions and to gaining a solid foundation for making informed nutrition choices.

About the Author ANNE M. SMITH, Ph.D., R.D., L.D., is an associate professor at The Ohio State University. She was the recipient of the 1995 Outstanding Teacher Award from the College of Human Ecology, the 2008 Outstanding Dietetic Educator Award from the Ohio Dietetic Association, the 2006 Outstanding Faculty Member Award from the Department of Human Nutrition, and the 2011 Distinguished Service Award from the College of Education and Human Ecology for her commitment to undergraduate education in nutrition. Dr. Smiths research in the area of vitamin and mineral metabolism has appeared in prominent nutrition journals, and she was awarded the 1996 Research Award from the Ohio Agricultural Research and Development Center. She is a member of the American Society for Nutrition and the Academy of Nutrition and Dietetics. ANGELA L. COLLENE, M.S., R.D., L.D., began her career at her alma mater, The Ohio State University, as a research dietitian for studies related to diabetes and aging. Other professional experiences include community nutrition lecturing and counseling, owner of a personal chef business, and many diverse and rewarding science writing and editing projects. Her interests include novel approaches to glycemic control, weight management, and quite predictably for the mother of three little girls maternal and child nutrition. Mrs. Collene currently teaches nutrition at The Ohio State University and Ohio Northern University. She is a member of the Academy of Nutrition and Dietetics.
